

The Budget-Wise Gardener. This book proves that you don't need mega bucks to have a beautiful garden. The secret is having savvy garden pro Kerry Mendez by your side. In *The Budget-Wise Gardener*, Mendez gives the inside scoop on nailing the best deals and having it all: selecting plants that give you the most bang for your buck, timing your purchases to take advantage of deep discounts and giveaways, finding treasures at plant, bulb and seed swaps - and much more. Her chapters take you from "How to Score Great Plants for Less...or for Free!" and "Design Secrets that Save Money" to "Regal Containers on a Dollar-Store Budget." With luscious color photos on nearly every page, this is an essential guide to creating the garden of your dreams without breaking the bank. Hardcover. Cover price \$19.95

The Right-Size Flower Garden: Simplify Your Outdoor Space with Smart Design Solutions and Plant Choices. The Right-Size Flower Garden offers time-saving design tips and exceptional plants for achieving balance between your love of gardening and time and ability to do so. Drought tolerant plants; perennials and annuals that don't need deadheading; no prune shrubs; long-lived, naturalizing bulbs; the illusion that you have more plants than you actually do, due to their astonishing display and sustainable practices, are some of the topics covered in this book. The easy-to-follow, targeted solutions shared in this book provide joyful liberation for all aging and time-pressed gardeners - you and me! Implementing these recommendations are not only good for you, they're good for the planet. 192 pages, over 300 color photos, hardcover. Cover price \$19.95.
